Dr. Mark Crapo

"Do you want to feel and look better - find out how you can by using Symmetry health products."

A Mind-Support formula for Students!

Symmetry's Future Star, a state-of-the-art drink mix for kids, known to enhance children's natural ability to learn, needed to taste great or kid's wouldn't take. For years there had been interest in using the all-natural sweetener, Stevia but much to the public's surprise it was not legal. The FDA recently granted GRAS (Generally Recognized As Safe) status to a Stevia extract, which gave us access to an all-natural sweetener that doesn't have any of that unpleasant licorice aftertaste associated with whole-leaf Stevia. With the new regulations in place Symmetry is proud to introduce a powerful and natural upgrade to our amazing Future Star now sweetened with the newly FDA approved Stevia extract!

And, to sweeten things even further, Symmetry will donate a portion of the proceeds from the purchase of each jar of Future Star to our Child Reach Program that helps children and their families in developing countries lead better, healthier and more product lives. With Symmetry's Future Star -everyone wins!

▶ **Symmetry's Future Star contains the broad-range of essential vitamins and minerals for optimum physical growth and function, and to help your children reach the peak of their potential!**

- Contains nutrients known to promote circulation, increase concentration and reduce oxidation to improve a child's natural ability to learn
- Provides antioxidants to support, strengthen and develop young immune systems.
- Supports optimal brain development by providing phospholipids; naturally produced

brain compounds

- Provides the phytonutrients kids need for proper development

People using FutureStar also use these supporting products:
