Levels of Opportunity

Joining Symmetry means you're dedicated to health and wealth. We offer three different sign-up levels that match your commitment

#1 - 600 Level

Number One means you're serious about the business, and its potential for great income. If this is for you, enter at the 600 point level, for example, 6 LIV-4 XCL Packs and come in at the rank of 5k for the first 6 months. After the 6 months, you will be paid at your Active level for Organizational Income. You also maximize your pay, earning on 4 levels of Rapid Income. Without taking advantage of this option, you can still earn 4 levels, when you create 10,000 volume in your 7 levels or you can purchase at the 600 level, which waives the 10,000 volume requirement for six months. You now may earn:

1st level = 25%
2nd level = 10%
3rd level = 10%
4th level = 5%

#2 - 300 Level

Number Two is for people who want to earn a little bit of extra income while using the products and sharing their results with others. If this is for you, enter at the 300 point level. For example, 3 LIV-4 XCL Packs. When you join at this 2k level you'll start earning on 3 levels of Rapid Income which waives the 5,000 volume requirement for six months. Without taking advantage of this option, you may still earn 3 levels when you create 5,000 points in 7 levels and become an active 5k. You now may earn:

1st level = 25%
2nd level = 10%
3rd level = 10%

#3 - 100 Level

Number Three is for people who want to use the products and possibly share their results with people! By doing so, you'll be able to get a few retail customers, allowing you to pay for your own products through commissions. If this is for you, enter in at the 100 point level. For example a LIV-4 XCL Pack. With this option start earning on 2 levels of Rapid Income. You now may earn:

1st level = 25%
2nd level = 10%

Sales Performance Bonus Rebates

- When someone you have personally enrolled earns a Personal Sales Performance Rebate in their Inception Month, you earn an Enroller's Performance Bonus, receiving a 10% commission of the Bonus CV generated by your personal enrollees as long as you have 100 Personal Points. This Bonus is paid on your monthly check.

Residual Income

Organizational Commission

When you are generating or producing a minimum of 30 Personal Autoship Points per month, you will receive an organizational commission of 4% on up to 600 C.V. of the Preferred Customers/Business Partners on 2 levels of your marketing organization.

In addition after enrolling a minimum of 3 personal Preferred Customers/Business Partners, 100 personal points as well as maintaining 2000 organizational points monthly, this will increase from 4% to 7%. As your rank increases you will be paid Residual Income of 7% on additional levels, up 7 levels. See the Monthly Residual Income chart on page one.

Checks will be issued once a minimum of \$20 is reached.

Personally Enrolled Additional Commissions

As an Active 2K (and when you have personally enrolled 9 or more Preferred Customer/Business Partner) in addition to your Organizational Commissions (7%) you will earn a Personally Enrolled Additional Commission on the First 600 Organizational CV of your Personally Enrolled Preferred Customer/Business Partner as per the table below.

# Of Active Enrolled	Amount of Increase	Total % Personally Earned
9 - 19	5%	12%
20 +	10%	17%

Infinity Bonus

Once you reach and maintain the level of 50K or above, you are qualified to receive an Infinity Bonus of 2% on all levels below your seventh Organizational Income level. This residual bonus (paid monthly) will continue on all legs of your organization and will only cap on a leg if an Active Business Partner that has achieved your same rank is reached on that leg.

Secured Infinity Protection

A unique concept that insures your Infinity Bonus becomes a true residual income. Once you begin earning an Infinity bonus on a person based on your particular Achievement Rank, that Infinity Bonus on that person for that particular Rank is stamped as yours, even when someone in your organization reaches the same Achievement Rank. As people on your team continue to advance in Rank, they are afforded the same protection as people on their team advance in Rank.

Growth Bonus Pool

Up to 1% of the Total Company Organization commissions paid in the country of residence will be in a pool. The payout of this pool is based on the quarterly increase of total volume in a 25k's organization in that quarter. All 25k's & above who have increased their total points over their

last highest quarter may be eligible to participate. These bonuses are only paid at corporate events to those who attend. The number of months in the quarter in which a 25k is active as (paid as) a 25k is multiplied by the increase in the number of total volume over the last quarter to get a number of points per 25k. To create a value per point the pool is then divided by the total points calculated. Each 25k receives a bonus based on the number of points for their organization multiplied by the value per point.

Greater than 0 to 2% you earn at 25%. Greater than 2% to 5% you earn at 50%. Greater than 5% you earn at 100%

Fast Start Programs

The Mega Builders Bonus

During their first 90 days as a Symmetry Business Partner, a new enrollee can earn the Mega Builders Bonus. This is based the total volume (points from both inception and organizational volume) earned in each of the first three months in the business.

The bonus is as follows:

- First 30 days: 10,000 points total volume – One-time bonus: \$1000
- Next 30 days: 20,000 points total volume – One-time bonus: \$2000
- Next 30 days: 30,000 points total volume – One-time bonus: \$4000

This bonus in on top of all other bonuses and commissions already in the Elevated Compensation Plan.

For example, if you enroll on March 16th and get 10,000 worth of volume by April 15th, you earn the first bonus of \$1000. If you achieve 20,000 worth of volume between April 16th and May 15th you get the second check, which is \$2000. The final check of \$4000 is earned by attaining total volume of 30,000 points between May 16th and June 15th.

The BAM Kick Start Program

Any new Business Partner has the opportunity to make additional money in their first 30 days in the business by taking advantage of the BAM Kick Start Program. This bonus is paid for every five BAM Packs or BAM Stacks that are purchased by your personally enrolled Business Partners within that time period. The amount paid is \$2000 for each five Packs or Stacks sold. So, if a new Business Partner sells 5 BAM Packs and/or Stacks each week they would earn an additional \$8000. That's on top of all the other bonuses and commissions already available in the Elevated Compensation Plan.

A BAM Pack sells for \$1595 each (includes 600 points) and includes the following:

- 1 BioAge Monitor preloaded with unlimited sessions
- 4 Liv-4 Essentials XCL Packs
- 2 Heart XCL Packs
- 50 BioAge Monitor Brochures

A BAM Stack is a BioAge Monitor reloaded with 100 sessions (\$999) and 600 points (minimum) worth of any Symmetry product. The product order must be on the same order with the BioAge Monitor. This is "stacking" products on a BAM order.

Symmetry Recognition Trips

A Business Partner can earn any or all of the annual trips: LEAD, Celebrate! or Momentum. Celebrate! has two ways to win: 1) Rank advance to 10k or above (see details below), or 2) a 4 month contest.

1. Earn your way to Celebrate! based on your monthly total volume (inception + organization).^{*} A business partner can earn the trip and travel money as listed below. Trip qualification begins at the rank of 10k.

** Business Partner must be paid at the rank listed two months of the four month qualification period (which is the same length of time as the contest period for Option 2) and can earn a trip only once at the same rank. You must advance one rank (at a minimum) to earn the next trip.*

10k = Free Trip + \$500 for travel
15k = Free Trip + \$500 for travel
20k = Free Trip + \$500 for travel
25k = Free Trip + \$1,000 for travel
30k = Free Trip + \$1,000 for travel
40k = Free Trip + \$1,000 for travel
50k = Free Trip for 2 + \$1,000 for travel
60k = Free Trip for 2 + \$1,000 for travel
80k = Free Trip for 2 + \$1,000 for travel
100k = Free Trip for 2 + \$1,000 for travel
150k = Free Trip for 2 + \$1,000 for travel
200k = Free Trip for 2 + \$1,000 for travel
250k = Free Trip for 2 + \$1,500 for travel
300k = Free Trip for 2 + \$1,500 for travel
400k = Free Trip for 2 + \$1,500 for travel
500k = Free Trip for 2 + \$2,000 for travel
600k = Free Trip for 2 + \$2,000 for travel
800k = Free Trip for 2 + \$2,000 for travel
1 mil = Free Trip for 2 + \$2,500 for travel

You earn \$500 extra cash for every level you skip in the contest period for a given trip. For example, if you were a 10k at the beginning of the contest period and became a 25k by the end of the contest period, you would have skipped 2 levels (15k & 20k) so you would receive an additional \$1000 cash to use as you like.

(Note: to earn more than one trip in a year using option 1, simply advance one rank for each trip and stay active at that rank for two consecutive months prior to the trip - qualification period ends 30 days before each trip).

2. Symmetry will announce a special "business builders" contest for each trip. Business Partners that meet the contest requirements will earn the trip for 2 plus \$1200 travel money.

Both the LEAD and Momentum trips may be earned by meeting the contest qualifications that will be announced approximately four months prior to each trip date. For current contests, visit www.symmetryglobal.com for details.
